

# DRONE ASSASSINATION AWARENESS WEEK

26 FEB-3 MARCH

U.S. drone strikes  
have killed thousands  
of innocent civilians in 7  
Muslim majority countries.  
The killing continues.

Our Defense Forces  
(GCSB) are helping the  
killer drone programme,  
by giving signals  
intelligence to the U.S.

Join us in Drone Assassination  
Awareness Week as we:

- Witness to  
the killings
- Vigil and pray  
for the dead
- Pray for the  
perpetrators
- Call on the GCSB  
to end all assistance  
given to the Killer  
Drone programme
- Call on the GCSB to  
release all historic files
- Spread the word about  
Drone Assassinations
